Business Overview

- Founded in 1959 and headquartered in Massy, France, Carrefour is one of the world's leading integrated food and non-food retail groups.
- The company operates a large multi-format network combining hypermarkets, supermarkets, convenience stores, and e-commerce platforms across numerous countries.
- Carrefour operates in more than 40 countries, with a diversified and well-balanced portfolio covering food products, fast-moving consumer goods, and a growing range of digital services.
- Its recent strategic priorities include the expansion of e-commerce and convenience formats, supported by investments in data, supply chain, and the development of sustainable initiatives in 2023.
